

2004 VINTAGE

TECHNICAL SHEET

Robust, powerful and clearly Pinot-Noir driven, this is one of our most curious and unprecedented vintages. Changeable weather conditions kept us in anticipation until the eve of the harvest, when much-needed rain swelled the ripe grapes at the last moment, restoring perfect equilibrium to the parched vineyards. To this day the wine remains mysterious and elusive, offering great promise in the years to come as it mellows and reveals itself.

TASTING NOTE:

Pale yellow in colour with gold highlights and fine, discrete effervescence. The nose offers notes of menthol, herbal tea, eucalyptus and a touch of resin. On the palate, the wine at first reveals flavours of syrup-steeped stone fruit. Then we feel the mark of Pinot Noir, as we experience a burst of cherry flavours: fresh at first, then more jammy and compote-like. The finish is original, with hints of caramel and iodine.

BLEND:
